#### 4. University's NAAC Accreditation Internal Quality Assurance Cell

- **Student - Satisfaction Survey for 2021-22 (Activity held in July 2022):** The NAAC Guidelines, specifically metric no. 2.7.1, stipulate that institutions are encouraged to create and administer annual Student-Satisfaction Surveys. In accordance with this directive, the IQAC developed a Google Form questionnaire based on templates provided by NAAC, Bangalore. This questionnaire was distributed to all students, encompassing both the University Campus and Sub-Campus. The IQAC compiled the survey results and subsequently communicated the report to the University authorities which is available on website.
- **Preparation of formats and benchmarking for Academic & Administrative Audit of the University Departments (Activity held during June-Sept 2022):** Following the completion of the Academic & Administrative Audit of University Departments in 2018, the IQAC has taken the initiative to initiate a similar audit for both Campus and Sub-Campus Departments. Extensive discussions were held with the Hon'ble Pro Vice-Chancellor and esteemed Deans of the faculties, resulting in the formulation of audit formats and benchmarking criteria for the departments. The proposed formats and benchmarking criteria were subsequently presented to the Board of Deans for approval and subsequent implementation.
- **Initiation of activities for implementation of Key Result Areas (KRAs) outlined in the NEP-2020 (Activity held during July - Nov 2022) :** In July 2022, the Government of Maharashtra issued a directive to universities to begin implementing the 21 Key Result Areas (KRAs) as outlined in the National Education Policy 2020 (NEP-2020). During the period from July 2022 to November 2022, the Director of the IQAC assumed the additional role of Nodal Officer responsible for implementing the NEP-2020 KRAs. The IQAC conducted several meetings in collaboration with the Hon'ble Pro Vice-Chancellor and respected Deans of the Academic faculties. Within this framework, four awareness sessions concerning the KRAs of NEP-2020 were organized for affiliated colleges in Aurangabad, Jalna, Beed, and Osmanabad districts
- **Workshop on Defensive Driving and Road Safety (Activity held during Sept. 2022):** A workshop titled 'Defensive Driving & Road Safety' was conducted on September 22, 2022, with the dual objectives of imparting valuable insights and practical skills while promoting defensive driving techniques and safe, responsible driving. Participants from both the University Campus and affiliated colleges greatly benefited from this workshop.
- **Revision of Feedback Mechanism at the Departmental Level (Activity held in Oct 2022):** In response to requests from multiple departments and in alignment with the guidelines of the revised accreditation framework by the National Assessment and Accreditation Council (NAAC), particularly metric no. 1.4, which pertains to Feedback

Mechanism, the Internal Quality Assurance Cell (IQAC) conducted numerous meetings with the IQAC Criteria I & II Coordinators. Following extensive deliberations with these coordinators, IQAC developed simplified feedback questionnaires for students, teachers, alumni, parents, and employers. Subsequently, the department-level implementation of this feedback process was seamlessly transitioned to a digital platform using Google Forms. This digital approach allows for efficient analysis of responses and facilitates the appropriate actions based on the feedback received.

**Director: Dr. Ram Chawan**

"Dr Anant Labhsethwar USA Lecture Series-2023" "Dr. Anant & Latta Labhsetwar (USA), Lecture Series was organized in Department of Commerce on Date: 24 January 2023" Dr Babasaheb Ambedkar Marathwada University Aurangabad, Department of

Commerce had been organized Dr. Anant & Latta Labhsetwar (USA), Lecture Series on Date: 24 January 2023, on the subject of "Post Covid-19: Agriculture Reform",

In this occasion the special lecture was delivered by Dr. Dhanshree Mahajan, Director HRDC, Dr. BAMU. However Head of Department Dr. Syed Azharuddin was the chairman of this program. Professor Veena Humbe, Professor Jayashree Suryavanshi were present and they also expressed their views about the opportunities in the agro sector. Earlier, Dr. Anant Labhsetwar expressed his thoughts on the topic "Reality of Social and Economic Situation in America". He expressed positive views on Indian life system and healthy social life.

Dr. Dhanashree Mahajan, Director, Human Resource Department, gave a detailed presentation on the problems, challenges and solutions in the agriculture sector. Infrastructural facilities should be available in the agricultural sector, farmers should have regular electricity supply for "Agriculture irrigation", water storage should be managed, agricultural produces should get fair prices, Agricultural market should be regular and sustainable, besides the government should provide enough chemical fertilizers, pesticides. Sufficient Supply should be supplied at reasonable prices, agricultural processing industry should be started, employment should be provided in village level. That various schemes in rural areas should not met, its remain only on paper, small marginal and landless farmers should be benefited, health facilities should be provided in rural areas, insurance should be provided to farmers. Security should be provided, students should be given vocational and agricultural development oriented education, farmers should be given training and vocational education. Agricultural Universities should be linked directly with agribusiness, farmers should be encouraged to adopt new technologies and cash crops. Financial assistance and loans should be provided to farmers in good and timely manner. Sure if such various solutions are planned. There will be "Sustainable Development" in the agriculture sector and by improving the standard of living of the farmers. The depression among them will be removed, as a result the suicides of the farmers will also be stopped. Because due to natural causes, the agricultural sector which was destroyed due to Covid will recover and "Baliraja" will be happy. Farmers work to meet the food needs of the huge population of India, but they are the food providers who have found themselves in economic crisis. Society, Government, various elements of the system should make special efforts to get them out of this. Then only the country will develop in the real sense of rural areas and farmers. Otherwise, no matter how strong we become in economic development, we become a superpower, but if the farmers are in crisis, then such insufficient development does not make sense.
