# EDITORIAL

We feel a great sense of satisfaction in presenting this Annual Report for the readers. The satisfaction lies in submission of this informative document covering entire year.

The present report is being published after the final approval of Management Council and Senate meeting as per the Maharashtra public Universities Act 2016, Section 136 (1), Primary source of this information is data received from all the colleges affiliated to the university and various departments in the university campus. Based on the information received the present report has been prepared by editing the collected information available.

We have tried our level best to put forth a comprehensive report since it was entirely depended on the information shared by the stakeholder colleges and departments in the university. However, we hope it will be helpful to various government institutions and general public.

We would like to express our sincere thanks to Colleges, University Departments, and University Administrative Departments for their cooperation in completion of the report. We are grateful for timely guidance extended by Hon'ble Vice - Chancellor, Hon'ble Pro-Vice Chancellor, Hon' ble Registrar, Members of Management Council and Senate. Apart from this we express thanks to all who are directly or indirectly involved and supported this report in its complete form.

### **Covid-19 Testing Center**

DNA barcoding centre has continued societal services through COVID 19 testing laboratory and has reached total swab testing to 5.75 lakhs. During pandemic time has sequenced the COVID 19 virus genome using its next generation genomics facility and has bring to the notice to the district administrative that delta plus strain is spreading rapidly in Marathwada region.

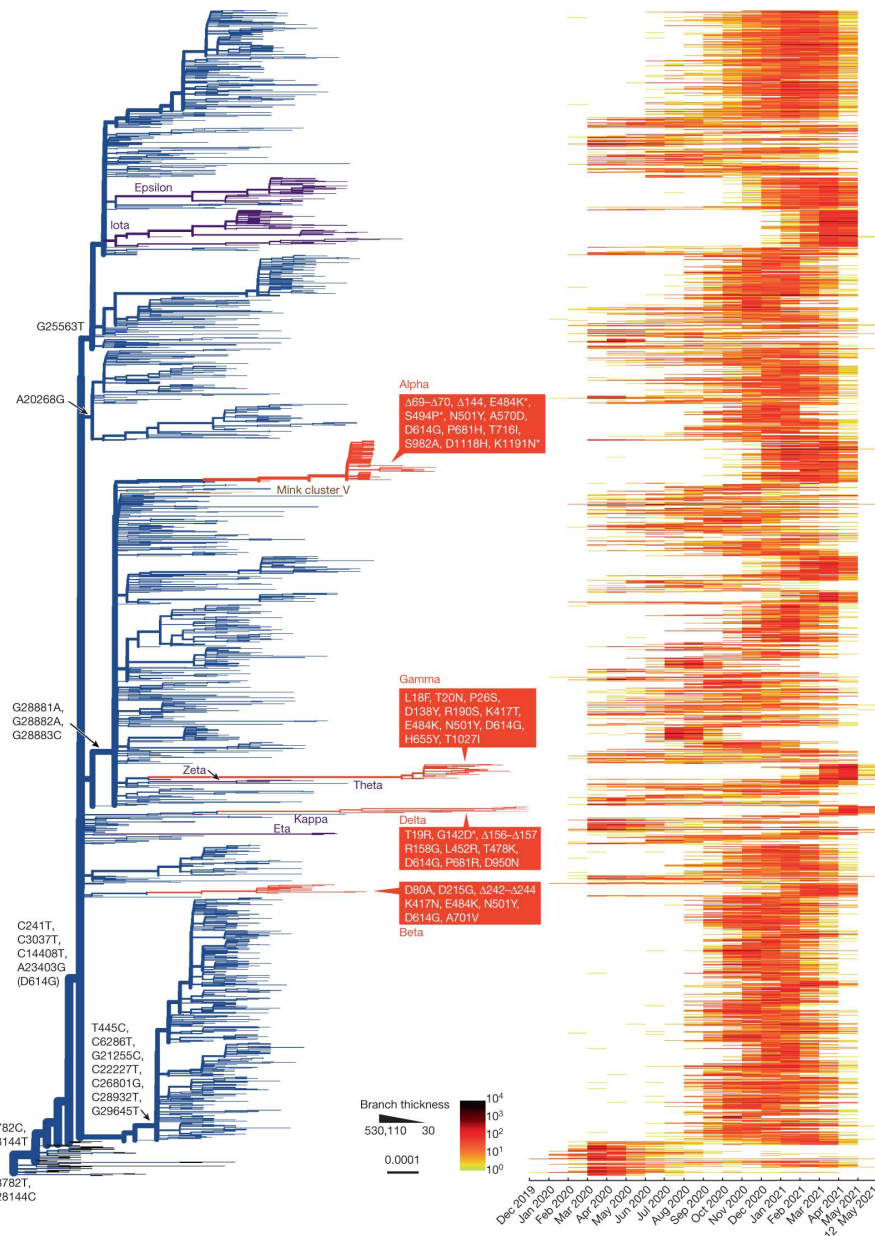

Figure showing Phylogenetic tree of SARS-CoV-2 lineages and the temporal distribution of major sequence variants.

Apart from these discoveries, Dr. Khedkar has published a high quality article entitled, “The draft genome sequence of the Brahminy blindsnake *Indotyphlops braminus*” in Nature journal Data Science. This is first kind of study associated to tetraploid organism.

## Paul Herbert DNA Barcoding Center & Biodiversity Studies

Also DNA Barcoding centre has bagged two major projects:

1. Genetic Strategies to conserve important native livestock breeds of Marathwada (Deoni Cow, Lal Khandari Cow and Osmanabadi Goat) (Rs. 179.8 crore)
2. Establishment of Animal House Facility (Rs. 1.03 crore)

These projects funded by DPDC, Aurangabad.

Also. DNA barcoding centre is having massive plans to launch a mega science project entitled “Planetary Biodiversity mission-India”. The brief of the project is as below:

#### Background of the project

India is an incredibly diverse country. With only 2.4 percent of the earth’s land area, India accounts for 7-8 percent of the world’s recorded species and four of the 34 global biodiversity hotspots. As one of the 17 mega-biodiverse countries in the world, India along with its 1.3 billion people is home to estimated 96,000 species of animals, 47,000 species of plants, and nearly half the world’s aquatic plants.

However in part, mapping the biodiversity in our country except human being is not organized but largely scattered. Which always demerit estimating exact biodiversity associated with us in our country. Institutions involved in the mapping biodiversity is Zoological Survey of India and Botanical Survey of India, Fisheries Survey of India, National Bureau of Fish Genetic Resources, National Bureau of Animal Genomic Resources, National Bureau of Plant Genomic Resources, National Bureau of Microbial Genomic Resources, Forest Research Institute, Wildlife Institute of India, more than 150 CSIR, ICAR, DST and DBT institutes, over 1000 universities, around 25000 degree colleges and several NGO’s. All these institutes and entities are trying to map the biodiversity in India. Unfortunately, there is no coordination as well common biodiversity deposition platform for the biodiversity of India.

#### **Project Objectives**

- To map the entire biodiversity of India using DNA barcoding
- Indian ecoregions will be divided in 43 blocks for biodiversity mapping
- 120 universities will be sub centres and 6 nodal regional centres will be selected
- Integrated data repository will be created at PLANETARY BIODIVERSITY MISSION-INDIA (PBM-I) portal for public use
- To create a biodiversity movement among researchers, students and common public.

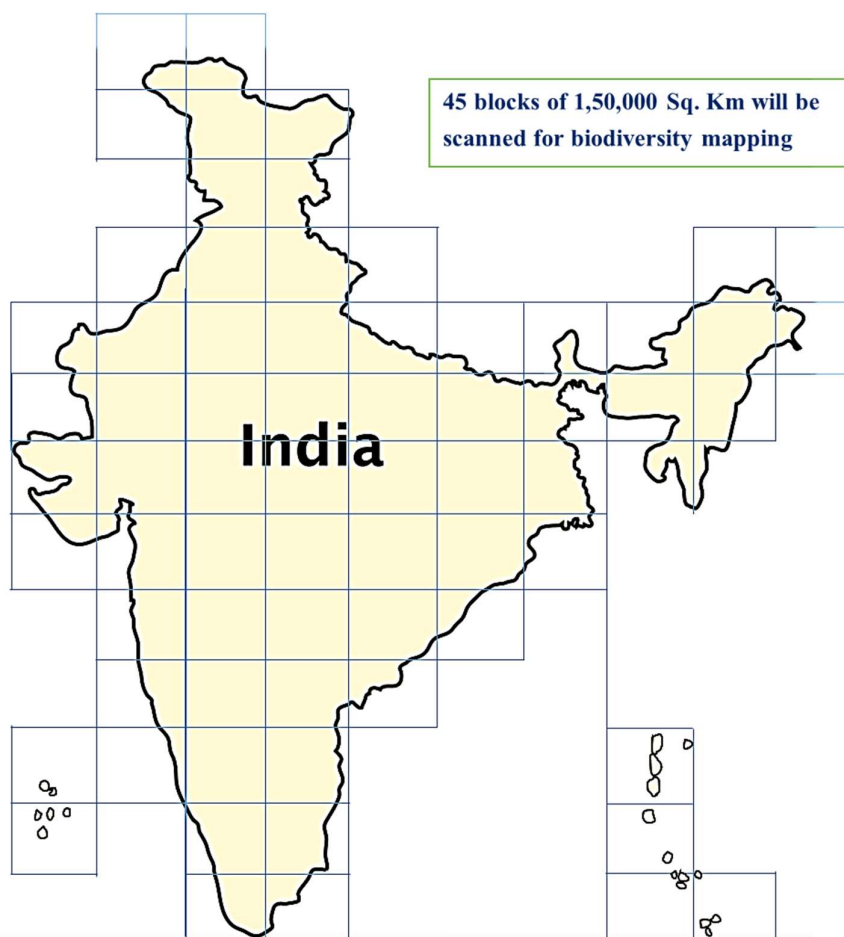

#### **Deliverables**

- Diversity mapping will be done by 2026
- At one place data will be deposited and will be unified using DNA Barcoding to avoid duplication.
- Indian biodiversity observatory will be set 5-10 years intervals to monitor changes

#### **End users**

- Farmers
- Industry
- Health sector
- Policy makers
- Environmentalists

Plans to map diversity of India

**Director: Dr.Vilas Sadashivrao Epper**

A special lecture was organized on behalf of this study center on the occasion of Rajmata Jijau Jayanti, Dr. Anand Wagh, (Deputy Director, Department of Lifelong Education) was invited for the special lecture. However, the program was presided over by Professor Syed Azharuddin, Head of the Department of Commerce. Prof. (Dr.). Vilas S.Epper, Director of has been given the introductory speche, and introduced about the Gramin Samashya Sanshodhan Kendra.

Dr. Anand Wagh, in his keynote address, highlighted the history and work of Chhatrapati Shivaji Maharaj, and opined that Rajmata Jijau played a valuable role as the first Guru and guide in shaping this age man, the founder of Swarajya. Dr Wagh further said that the role of parents is important in shaping the future of any children's, but in the case of Chhatrapati Shivaji Maharaj, the role of mother Jijau is very important, because during the childhood of Shivaji, Raje Shahaji was constantly engage on missions to other kingdoms, as a result Shahaji Raja also did not get to see Shivaji's childhood or his childhood, but Rajmata Jijau, however, in a very civilized manner, made King Chhatrapati Shivaji Maharaj. However, today a tribute to Rajmata Jijau on his birth anniversary.

President of the program Professor Syed Azharuddin said, what is the importance of mother and father in life? What is the role of mother in making children? While saying this, he explained the responsibility and duty of today's children, children should work hard day and night to fulfill their parents' dreams so that not only will their parents be satisfied but we will also have a bright future.

At the end of the program, Director of Rural Problems Research Center, Dr. Vilas Eipper gave vote of thanks.

Dr Babasaheb Ambedkar Marathwada University, Rural Problems Research Centre, organizes various programs every year to guide students from rural areas, however this year also on the occasion of Swami Vivekananda's birth anniversary on January 12, a special lecture was organized to guide the youth. However, the birth anniversary of Mata Jijau was celebrated in the morning session. And in the afternoon session the birth anniversary of Swami Vivekananda was celebrated. On this occasion, Dr. Anand Wagh gave his valuable time to guide the students. Prof. (Dr.) Vilas Epper, Director of Rural Problems Research Center, was the chairperson, Research student Kishore Lokhande has anchored the program.

Dr. Anand Wagh in his guiding speech gave valuable guidance to the youth. He said in his speech that today's youth should meditate and study the thoughts of Swami Vivekananda, his literature, cultivate brilliance, asceticism, diligence in life, follow celibacy and achieve success in their fields with hard work. Try to get it. Only one can have the firm belief that any success can be achieved with hard and planned study. Swami Vivekananda should be every student's

role model and ideal person. In short, the hard work that Swami Vivekananda did, the perseverance with which he studied his Indian culture, philosophy and made his religion known to the world and "Jadad Guru". It is very important for today's students to think about such a great concept.

In the presidential speech, Dr. Vilas Epper, expressed the opinion that students should work hard with a specific goal in front of their eyes and study round the clock. Research student Dattu Lahane gave vote of thanks.

Date: May 30, 2022, a personality development workshop was organized for the students of the department in association with Department of Commerce and Center for Rural Issues Research. A lecture by Professor Syed Azharuddin, Head of the Department of Commerce was invited to guide the students in the program. Dr. Vilas S. Director of this Adhyasan Center presided over. The program was conducted online.

Professor Azharuddin while guiding the students, expressed his thoughts on importance and various factors of personality development. He said in his guiding speech that students should study regularly, do research activities, Particularly students from rural areas should try to improve their English speaking, read current English news papers, obtain general knowledge, study the current affairs also. You should do your regular studies and study in a planned manner to succeed in competitive exams. To do group discussion, to attend Entrepreneurship Development Workshop to become an Entrepreneur. Entrepreneurship Development Program are organized regularly in this department, lecture series is organized for benefit to the students. So the students should regularly participate in such various programs in commerce department. Likewise practice to speak English, in the beginning, obstacles in your speaking Mistakes will happen, but with constant practice you will gain confidence, and such a program is organized to build such confidence. Students especially from rural areas are basically hardworking, intelligent but they are afraid to come forward, to take initiative, they should continue their efforts without any fear. Further he said in his speech that in the beginning we also did the same, no one learns from mother's womb, anyone who works hard, practices regularly will be prepared and English is important for personality development for professional future. So everyone has to make efforts for it.

In the presidential address Dr. Vilas Epper, Director of Adhyasan Center guided the students by sharing his own experience, he said in his speech that initially I could not speak English, but I prepared initially by studying regularly, studying the subject thoroughly, taking notes, which I experienced. He opined that he told you. However, if every student makes such a planned effort, nothing is impossible and that is why such programs are organized, he concluded by appealing to the students, especially rural students, to attend such programs.
